The Chris Craft factory has discontinued the following engines:

KLC-120HP KBL-131HP ML-145HP MBL-158HP W-160HP

They have substituted the following engines:

KFL-131HP MCL-175HP WB-200HP

The latter three engines are all twin carburetor engines. The KFL engine is for use in runabouts and speed boats where light weight and speed are required.
